

## Owner/Operator Programs

### Who We Are:

National Equipment Leasing has been working with owner/operators since our inception in 1998 so we know how important it is to get the right lease/finance in order to get you on the road. We have the ability to go up and down the credit scale and can get some older units done as well.

Below is the information we will need in order to get your credit application processed. Our friendly and helpful staff will help you through each step of the process to make it as easy as possible. Take the National Equipment Leasing advantage today!

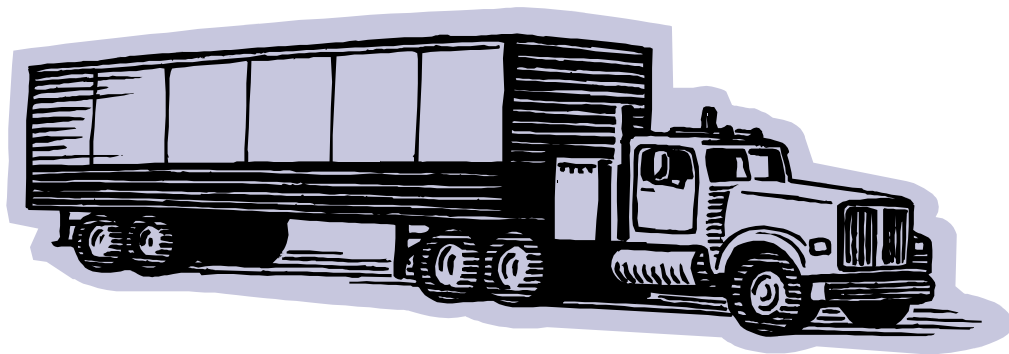

### General Information Needed to Process Credit:

In order to process your credit we will need the following information to get started.

- Filled out titled equipment credit application (can be found on our website).
- 2 years personal & business tax returns.
- Truck specifications and pricing.

Additional information may be needed in order to complete the credit process as well.

- At least 3 months current bank statements.
- Haul reference.
- Personal financial statement (can be found on our website).
